HOW TO APPLY FOR THE STEP UP FOR STUDENTS SCHOLARSHIP

Academic Oasis

SCAN FOR VIDEO
INSTRUCTIONS

- ✓ Go to stepupforstudents.org to create an Education Market Assistant (EMA) account
- ✓ Follow the directions to create your account and add your student(s).
- ✓ Once all students have been added click on the blue button titled “Apply for Scholarships” at the top of the page.
- ✓ Before you apply for the PEP scholarship you will first apply for the FTC/ FES-EO scholarship as a private school student. Once funds are awarded you will receive an email outlining the steps to apply for the PEP scholarship.
- ✓ It can take 3-6 weeks for applications to be processed.
- ✓ You will receive email updates when your application review is complete.
- ✓ Once you have received notification that the PEP scholarship has been fully received you must either:
 1. withdraw your student from public schools OR
 2. terminate your homeschool registration

What are the greatest concerns of your student's educational program? *(check all that apply)*

Over testing

Indoctrination of beliefs and values

Discipline problems

Physically unsafe environment

Low quality instructors

Mental health concerns
(depression, stress, anxiety, etc.)

Curriculum too rigorous

Lack of exposure to the arts
(music, chorus, art, etc.)

Curriculum not vigorous enough

Other (please specify)

As former public-school teachers with over 30 years of combined experience, we empathize with the worries surrounding your child's education. Let us alleviate all your checklist concerns. Sign up for a complimentary consultation today and receive your own homeschool guidebook to help walk you through homeschooling your child.

Take the first step to empower your child's learning journey by clicking the link below!
